Fix Items to Preferred Supplier

Introduction

In businesses, there are preferred vendors for specific items. This could be based on several factors like best prices, quickest delivery, trust etc. While creating sales order, it would help if only those specific items are available for selection for a particular party.

This add-on provides facility to select specific items for a particular supplier. The same will be allowed to do the billing. You can restrict the user from selecting different supplier for an item.

Important!

As a best practice it is advisable to take back up your company data before installing the Add-on

Setup Guide

1. Activate the Add-on

For Tally.ERP 9 Series A version lower than Release 3.2

Go to **Gateway of Tally > F11: Features > Accounting Features**

Set "Yes" to the options "**Enable Assign Items to Preferred Supplier**"

For Tally.ERP 9 Series A Release 3.2 and above

Go to **Gateway of Tally > F11: Features > Add-on Features**

Set "Yes" to the options "**Enable Assign Items to Preferred Supplier**"

FAQ

Which version/releases of Tally.ERP 9 does the add-on support? This add-on will work only with Tally.ERP 9 Series A, release 3.0 onwards.

How will I get support for this add-on?

For any functional support requirements please do write to us on support@fliksoft.com sales@fliksoft.com or call us at +91-73-49-146513.

If I need some enhancement / changes to be incorporated for the add-on, whom should I contact?

Please share detailed write-up & screen shots (if any) of your additional requirements over email and we will revert to you within next 24 business hours.

Will new features added be available to us?

We offer one year availability of all support and new features free of cost. After one year, nominal subscription cost will be applicable to you to continue to get free support and updates.

What will happen after one year?

20% of the MRP will be charged in case free support and updates will be required by you.

How to configure the add-ons?

Contact your Tally Partner or Tally Service Partner. Alternatively, visit our website <http://www.tallysolutions.com/website/html/solutions/how-to-configure.php> where you can find documents on how to configure add-ons.
