Version: User Manual – User wise Deletion and Cancel Control /1.0/May 2013

User wise Deletion and Cancel Control

Introduction

With this add-on you can restrict the user from cancelling and deleting the masters as well as transactions. Admin will have rights to restrict the users from cancelling or deleting master / transactions.

User wise Security Control:

- Restrict the Deletion of masters and vouchers based on access rights given to particular user
- Restrict the Cancellation of vouchers based on access rights given to particular user

Important!

As a best practice it is advisable to take back up your company data before installing the Add-on

Setup Guide:

Enable 'User wise Deletion and Cancel Control' under the **F11** feature of Accounts Master

1. Open the company name with Admin username and password

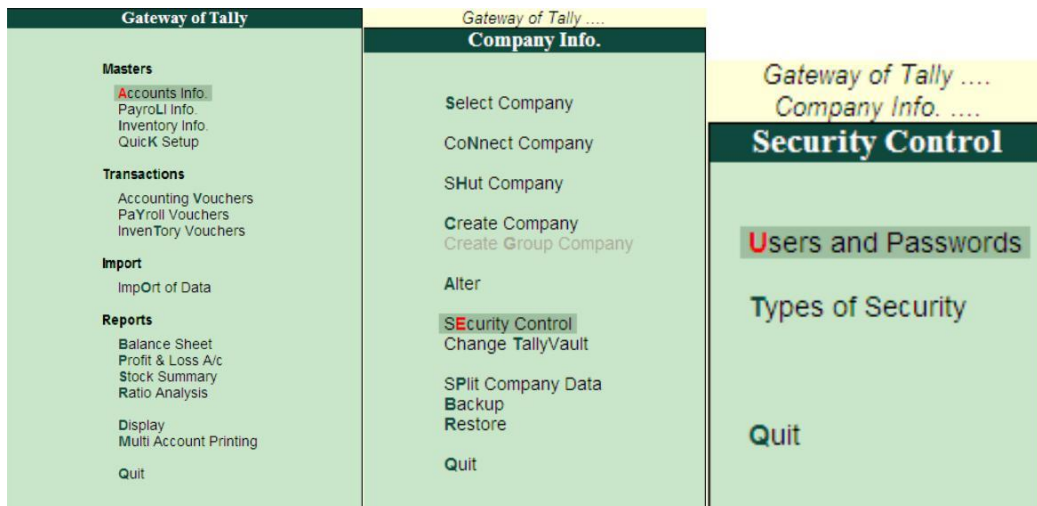

Company : ABC Company Ltd

Name of User : admin

Password (if any) : *

2. Gateway of Tally → Alt + F3 (Company Info) → Security Control → Users and Passwords

3. Enter the username and give the access rights
