Terms & Conditions in Inventory Vouchers

Terms & Conditions in Inventory Vouchers

Introduction

Organizations handling inventory for their business will have various Terms and conditions for procurement of materials or sales of materials, you wish to set different terms for different vendors and customers and annexure the same for all your inventory based entries.

Installation

This add-on is installed automatically when downloaded from the TallyShop

System requirements:

No additional hardware / software infrastructure is required for executing and operation this applications module.

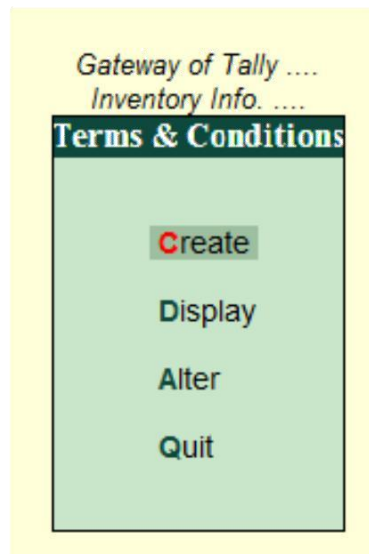

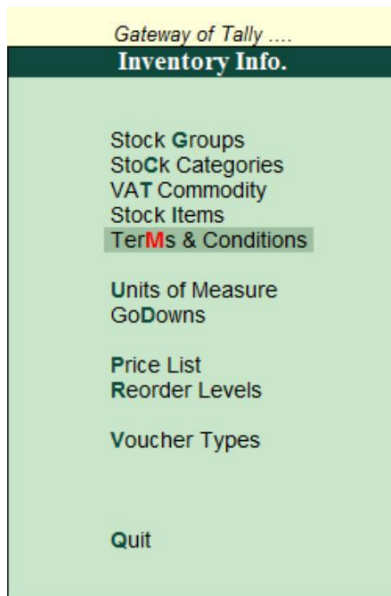

Quick Setup Guide:

In this module this section is not relevant

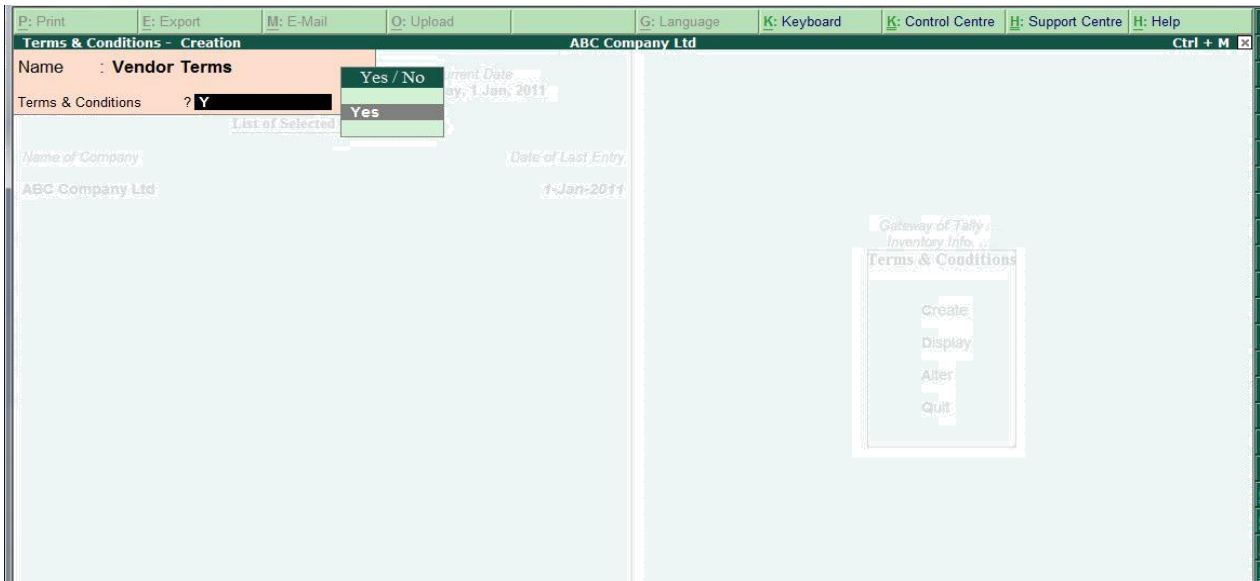

Detailed Setup Guide:

To operate this capability, user will have to follow the following steps:

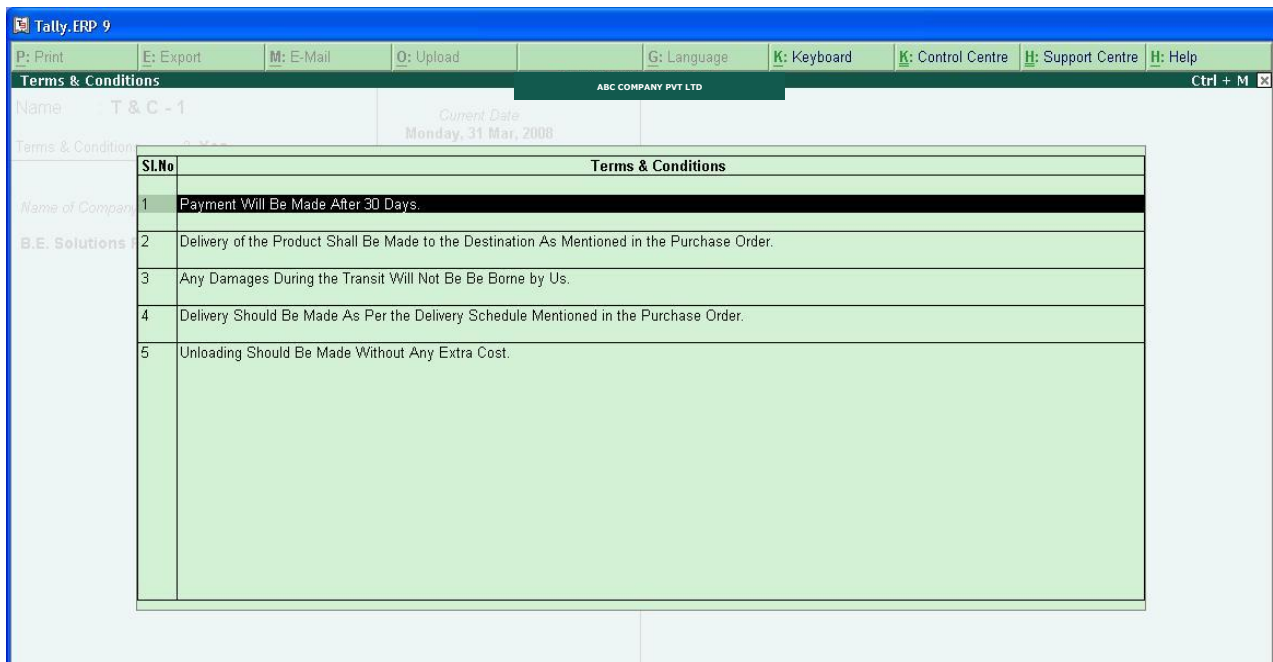

1. Execute **Tally.ERP 9** and select the required Company.
2. Go to F11: Features (Inventory Features) & 'Enable Terms & Conditions in Inventory Vouchers'
3. Go to **Gateway of Tally > Inventory Info > Terms & Conditions > Create**

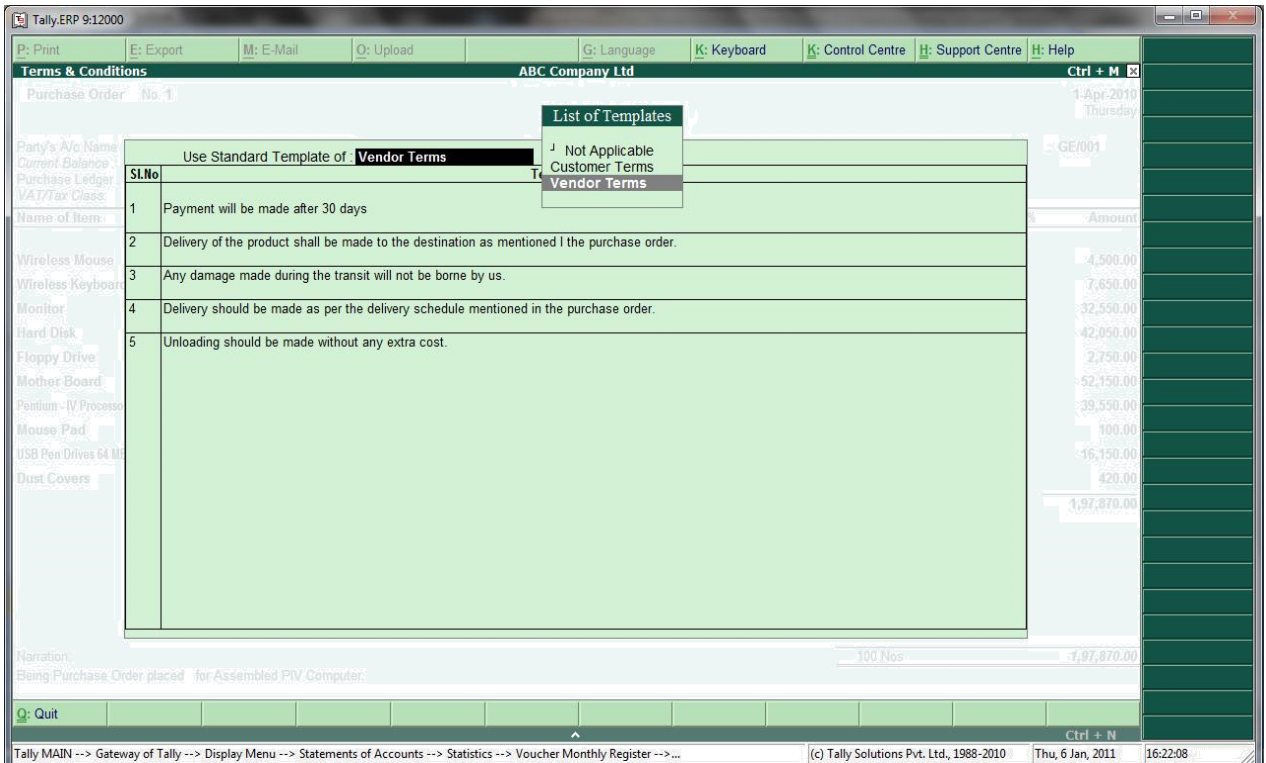

4. Type the name of the Template for your easy understanding and set the **Terms & conditions** to 'YES'.

- Once the **Terms & Conditions** is set to 'YES' a screen appears for you to Type the relevant terms and save the same as a template.

- When any inventory based entry are made before it could be saved a pop up screen appears to select the relevant template which are predefined in order to attach it as an annexure in your print.

7. Once an inventory based entry is made and print command is given, first the inventory voucher prints and secondly the **Terms & Conditions** is printed as an annexure.
